

Keep Your Hard Drive Warranty

- Getac is experienced in dealing with security-industry customers that require top-level security to protect the data on their devices. For these customers, we can ship you a replacement HDD / SSD.
- Getac protects customer data and takes reasonable precautions to protect your data while it is in our hands. However, some customers' devices hold sensitive data that they cannot take any risks.
- Keep Your Hard Drive warranty option is designed for these customers. If you handle data of a sensitive nature, for national security or commercial reasons, then add this to your warranty.

Apply quantity up to 5% of an organization's total number of mobile computer failures per year that are purchased KYHD Program
