

## REACH - Declaration

We (Importer)  
**Raidsonic Technology GmbH**  
(Company name)

Kurt-Fischer-Str. 50  
22926 Ahrensburg  
Germany  
(Address)

Declares under our sole responsibility that the equipment under test:

**Product:** Keyboard  
**Model No.:** ACK-540+ (US)  
**Article No.:** 12862  
**Brand Name:** Keysonic

is herewith confirmed to comply with the following requirements:

The company RAIDSONIC Technology GmbH is a manufacturer of electronic products, thus - in the sense of REACH- they are so-called "downstream users". The products we supply to you are solely non-chemical products (goods). The declaration refer to the EU Regulation (EC) No 1907/2006 (REACH), incl. amendment 2015/830/EU to screen one hundred and ninety-one (191) Substances of Very High Concern (SVHC) in our products. The list is the one that is published by European Chemicals Administration (ECHA) on June 27<sup>th</sup>, 2018. Moreover and under normal and reasonably foreseeable circumstances of application, the goods supplied to you shall not release any substance. For that, the company RAIDSONIC Technology GmbH is neither obligatory for registration nor for the creation of material safety data sheet (MSDS).

Furthermore, we will immediately inform you in correspondence to REACH- Article 33 if any substance of content (as from a content of > 0.1 %) in our goods will be classified alarming by the European Agency for Chemicals **ECHA**. Based on the current status, however, we do not expect such an incidence. Independent of that fact, we are intensively pursuing the realisation of REACH on the part of our suppliers; we do that in our own interest and in order to guarantee a high level of product safety for our customers. We are in close contact with our suppliers of chemistry and prepared material (e.g. manufacturing supplies for manufacturing, processing and workmanship of our products or for utilisation within other operative process) and will implement, if necessary, the pre-registration and/or later registration of the relevant materials in REACH respectively in our process of supplier qualification.
